

EXTENSION OF DEADLINE FOR CALL FOR PAPERS & PRESENTATIONS

We have received a number of really interesting proposals for papers and presentations for the Travelling Stories conference and we thank everyone who has made a submission.

However, due to several requests, we have extended the deadline for the submissions of proposals and abstracts to **close of business on August 28th**.

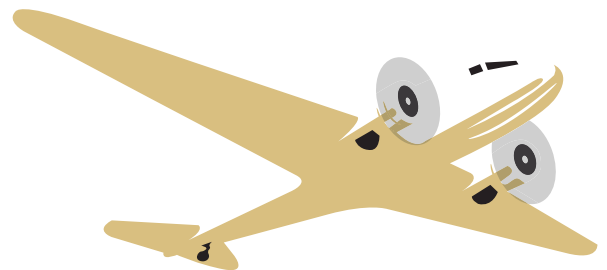

Download and submit the Call for Papers and Presentations form at: <http://portarthur.org.au/activities/travelling-stories> [scroll to bottom of page].

Registrations at the early bird rate are still available at: <http://portarthur.org.au/activities/travelling-stories-registration>.

Please note: if you wish to submit a proposal for a paper or presentation that does not seem to 'fit' with one of the sessions, or with the general theme of the conference, we would still like to hear from you! We have reserved space in the program for a "General Session" where your idea for a paper can be accommodated.

STUDENT TRAVEL SUBSIDIES

All students who have a paper accepted for the conference program *and* register to attend will receive a contribution to the cost of their attendance.
