HAVING A WHALE (BOAT) OF A TIME!

6 – 18 January
3pm – 4:30pm

Sail into the Port Arthur Gallery this summer for some hands-on maritime fun. For two weeks our Conservation staff will be docking in the Gallery to share seafaring stories of the settlement. On display will be a three-metre model of a whaleboat built by local school students using traditional techniques. AFTERNOON PERFORMANCES

Three historical performances daily in the Penitentiary Precinct. In each performance you will meet historical characters from Port Arthur and hear more about their lives at the settlement.

ESCAPE FROM PORT ARTHUR TOUR

3:45pm & 5pm

Port Arthur was the perfect place for a prison – it was remote and isolated by both the foreboding natural landscape and deep tempestuous seas. Despite the perilous odds, escape attempts were frequent and took many forms.

On this walking tour you will “meet” cunning and criminal characters who went to extreme measures to escape from the Prison.

Bookings can be made via the ticketing counter, additional fees apply.
