Everyone arriving at Port Arthur will get a Ticket of Leave that allows re-entry for 2 years to all our sites (Female Factory included)

As we open our sites, our teams are taking every precaution to ensure a safe and healthy environment for our visitors, staff and community.

We would encourage you to book your tickets through our website www.portarthur.org.au.

This will not only ensure your entry and tours at your preferred times, but will also help us in tracing and maintaining a safe environment.

We ask everyone to adhere to safe social distancing and gathering instructions while once again enjoying our World Heritage Sites.
